Help Shape our Next Season—Player Survey

The committee are busy working on shaping next season from trials to training formats. We would really like to hear from our club members to help make next season the best it can be.

Please complete this survey as we want to know times you would prefer to train, how you want to train and what things you think we could do differently in the coming season.

WE NEED UMPIRES

CENA have passed a new rule starting from the 2014 season. Clubs must have at least **one qualified umpire per team**. Currently we are very short on umpires and therefore looking for anyone interested in becoming qualified. Qualified umpires are paid £10 per game.

If you are interested in supporting your club by becoming an umpire please contact Nicola Hume who will let you know course dates and answer any questions you may have. nicola.hume@uk.pwc.com

August 15th, 22nd & 29th

If you have any friends, colleagues, neighbours or just a passer by - we are on the lookout for new players to join the club. Please encourage anyone to register their interest on the Holyrood Netball website.

We will send you a reminder with more details soon.

2013 AGM - The Evening Theme was H is for Holyrood

A HUGE thank you to Erica for all her hard work organising a brilliant night.

The AGM was a top night for Holyrooders with everyone putting in a superb effort and fully taking on the 'H is for Holyrood' theme. The Chieftians won best costume with the whole team dressed as Hooters.

Here are just a few photos from the evening.
